SEWING LESSONS WITH BELLA

On the surface, sewing looks so easy, until you actually have to fire up the sewing machine. Private lessons focus on the student developing a secure understanding on how the process of sewing interrelates with all the varied components, parts and steps necessary to complete a project.

Let Me Introduce You (2 hour private one-on-one session):

If learning to sew or returning to sewing is on your bucket list, but you're not sure how much of a commitment you want to make, come to the Studio and "test the stitches" first. During this 2-hour private session, Bella will show you the marvels of the modern sewing machine, books, and easy contemporary projects. We identify your specific area of interest and explore some options.

Cost: \$110, includes materials for an easy project

Sewing For Two (2 students per class):

This 1.5 hour companion sew-along session is a fun way to create a memory and share some creative time with someone special -- a daughter, son, friend, grandchild, niece or mate. Come sew a fun, easy project

Cost: \$110 for 2 people, includes all fabrics and materials for the project.

Private Classes (one-on-one sessions with Bella):
